How we use cookies on our website

Cookie Policy

On the ELVT website, we use functional cookies. Cookies are small text files that are stored on your computer, phone or other device when you visit a website.

Cookies help us ensure that our website functions properly, securely and in a user-friendly way.

1. Which cookies do we use?

We only use functional and strictly necessary cookies. These cookies are required for our website and its features to work correctly.

Functional cookies may be used for:

- remembering your cookie preferences;
- website security and fraud prevention;
- ensuring that forms work correctly;
- remembering temporary session settings;
- enabling essential booking and payment functions.

These cookies cannot be disabled through our website, as certain parts of the website may not function properly without them.

2. No marketing or tracking cookies

We do not use cookies for:

- marketing or advertising purposes;
- tracking visitors across different websites;
- creating personal user profiles;
- personalised advertisements;
- analytics services such as Google Analytics;
- advertising services such as the Meta Pixel.

3. Consent

Prior consent is generally not required for strictly necessary and functional cookies.

When a cookie notification is displayed on our website, it is intended to inform you about our use of these cookies.

If we use other types of cookies in the future that require consent, we will ask for your permission before placing them.

4. Managing or deleting cookies

You can view, block or delete cookies through the settings of your internet browser.

Please note that our website may not function properly if you block necessary cookies.

The method for managing cookies differs by browser. Please refer to your browser settings or help section for more information.

5. Cookies used by Wix and other service providers

Our website is built using Wix. Wix may place technically necessary cookies to ensure that our website, forms, bookings, payment functions and security features work properly.

Other service providers that are necessary for functions such as bookings or payments may also place functional cookies. These cookies are only used to provide the relevant service.

6. Changes to this Cookie Policy

We may update this Cookie Policy when our website, services or applicable laws and regulations change.

The most recent version will always be available on this page. The date at the top of this policy shows when it was last updated.

7. Contact

If you have any questions about this Cookie Policy, please contact us:
